French Lesson Starters

25 interactive lesson starters

The French Lesson Starters CD-ROM is designed for Key Stages 3 and 4. The software has been developed for presentation to the whole class on an Interactive Whiteboard or Data Projector, or for individual use on a PC terminal. The interactive activities are certain to motivate pupils and stimulate interest at the beginning of a French lesson. It has been designed by David Benjamin, Justin Dodd and Khalid El-Metaal; teachers with an extensive experience of the use of software in the classroom. The CD-ROM includes the following 25 stimulating lesson starters:
