

TANGRAM

The ancient Chinese art of Tangram has been brought to life by this interactive new CD-ROM from Virtual Image. The software includes 1000 tangram puzzles. Each puzzle is a tangram picture that can be formed by dragging and dropping the seven traditional tangram shapes.

Tangram is a great way to develop geometrical intuition and an understanding of simple shapes, such as triangles and squares.

The Tangram CD-ROM is a bargain at the following prices (ex.VAT):

extended site licence	- £240
unlimited user site licence	- £120
90-119 user licence	- £100
60-89 user licence	- £80
30-59 user licence	- £60
2-29 user licence	- £40
single user licence	- £20

(Extended licences include home use by teachers and pupils.)

Additional disks are available for home use by pupils at schools with multiple user licences for **£5.88 (inc.VAT)** each. Please note that we can only process orders for these disks if they are placed by the school for batches of at least 10.
