Physics Year 11
Lesson Starters

“The series of *Science Lesson Starters* from Virtual Image has been praised by physicists, chemists and biologists alike. The nine CD-ROMs offer a variety of short and snappy revision, or “starter” activities in a range of formats. The activities are visually well presented and there is immediate feedback on whether an answer is correct, making them very user-friendly.”

Becky Parker - Times Educational Supplement 3rd March 2006

DON'T FORGET YOUR E-LEARNING CREDITS
